

Callingwood Lymburn Community Playschool

April 2021

Message from the Committee Lead

I hope everyone is enjoying our early Spring weather this year. It's been great that the classes have been able to get outside already. Registration for next year is officially open and we're excited to announce that it is all done online. If you know of anyone who has a child that has recently turned 3 or 4 and would enjoy our program please refer them to the sites below and help us spread the word about our amazing playschool!

We will be doing a plant fundraiser this month with Growing Smiles. It will be a great opportunity to get your plants and veggies for your garden while supporting the playschool. More details will be sent out shortly.

A reminder that Spring break runs from March 29 - April 6 and there will be no classes during this time. Classes will resume on April 7.

15th: 3am class – Beach Day and
Outside Day
16th: 4am class – Beach Day
(Come dressed in shorts and
Bring a beach towel)
21st: PD Day. NO SCHOOL
22nd: 3am class – Outside Day
27th: 3am class – Outside Day
29th: 3am class – Outside Day

Important Playschool Reminders

Parking at Lymburn School:

When dropping off and picking up your child throughout the year, please do not use the teacher's parking lot or the bus zone in front of the school (you will be ticketed and possibly towed at your expense); there is parking along the road. Please drive with care and watch closely for children crossing.

Callingwood Lymburn School is a **NUT FREE** school, please keep that in mind while packing snacks for your child.

Mon/Wed/Fri News

Greetings Playschool Parents!

April already? Where is the time going? I am becoming quite attached to this group of children. You don't go through a pandemic with a class and not count them as special!

Thank-you so much for all you do and continue to do to support our class. I loved our career day - the kids looked incredible and I loved hearing about all of their future plans.

April will bring a couple of really fun themes to our room - Sea life and Farm life. Since we can't go on real field trips this year, I am going to try and bring the Ocean and Farm to them. Fingers crossed, our class will be getting a new pet - a pet fish. This is going to be a surprise for the children to see when they return to school following Spring Break. "Twinkle" the fish, will help us learn about life under the sea and teach the kids some responsibility, as we will take turns feeding the fish each day. To wrap up the Ocean Theme, we will celebrate with a Beach Day on Friday, April 16th. Please send your kiddos in shorts (if weather permits), and bring a beach towel (we will sit on these at circle time and do a couple fun games using our towels). Our next theme will be "Down on the Farm." Farm life is such a great theme as we learn about how farms grow our food and have animals that give us things like eggs and milk.

Since we do not have access to the gym, I would like us to start going outside everyday. We will go outside at about 10:50, sometimes playing at the park, sometimes playing in the field and sometimes playing on the courtyard. I will gather the children at 11:10 to line up and gather our backpacks. If you arrive early, please feel free to enjoy watching them play. I will tell the kiddos they can wave at you, but they need to stay with the class until we get our backpacks and Teacher Cathey dismisses them. Of course, if it is raining, (or heaven forbid, some other kind of precipitation), we will stay inside and do movement activities and I will dismiss them as usual.

Thank you so much for all you do,

Teacher Cathey

Tuesday/Thursday Tidbits

Hello Everyone!

March was AMAZING and we really dug into the science of colors. We had fun and learned a lot with our crafts and our science experiments. We have been cutting, practicing our names, and learning some new songs and nursery rhymes. In April, we will dive into the Ocean theme and get out to the Farm. We will also be learning all about our 5 senses, through some fun experiments, a listening walk, and even a special take home activity.

We started going outside more as the weather cooperated; as the seasons change it is a great time for the students to play outside, observe the changes, build strength, and connections with their friends. It's also a great time to catch up with me and I love to visit with the families and answer any questions you may have.

We are getting closer to the end of the year and it's time to start thinking about next year for these munchkins. Some will be continuing on into the four-year-old class (hopefully with us) and some will be going on to kindergarten (exciting!).

Registration for Callingwood Lymburn Playschool is on our website:

www.callingwoodlymburnplayschool.com

Registration for Kindergarten:

Edmonton Public Schools — www.epsb.ca

Edmonton Catholic Schools — www.ecsd.net

Snack time is a special time in playschool, everyone loves chatting and visiting, and us teachers really appreciate healthy snacks for the kids. A piece of fruit, yogurt, some crackers or some vegetables are great examples to send to school.

Your kid's have grown so much over the last month. It is amazing to see. I hope you all have a wonderful Spring Break and Easter.
