Nov 16th: PJ Day - 3AM Class Nov

17th: Picture Day 3&4AM Class

3AM Class arrive @ 10am

Nov 18th: Bear Hunt - 3AM

Class Nov 26th: Bear Hunt -

4AM Class Nov 28th: PJ Day -

4AM Class

Message from the CLCP Committee Lead

Wow, it's hard to believe that we are going into our third month of playschool already. What a great start to the year it has been. With October finishing up the kiddos will be having their classroom Halloween parties and then gearing up for November.

Important Playschool Reminders

Picture day is coming up on November 17, details will follow shortly from your class reps. I'd like to thank all of the families for being flexible and adapting to the changes and for the support with the volunteer duties this year. Also, a big thank you to our amazing teachers and committee parents for their time and commitment in keeping the playschool running smoothly.

If you could please save the committee lead email address to your contacts so important updates and reminders don't go to your junk mail:

clcpcommittee@callingwoodlymburnplayschool.com

Thank you, Lisa Turgeon

Parking at Lymburn School:

When dropping off and picking up your child throughout the year, please do not use the teacher's parking lot or the bus zone in front of the school. (You will be ticketed and possibly towed at your own expense.) There is parking along the road. Please drive with care and watch closely for children crossing.

Callingwood Lymburn School is a **NUT FREE** school. Please keep that in mind while packing snacks for your child.

Tuesday/Thursday Tidbits

The first two months have gone by so quickly. Students are getting into a great routine at school. I am so proud of all of them for adapting to school, friends and teachers. November will be another exciting month we will be celebrating Diwali, and Remembrance Day. Our themes will be Bears and Space....so much exploring to do.

We have Picture Day on November 17 at 10 am for our class, we have a wonderful photographer, and the pictures are so great to have. It is not a regular school day, but it would be great if the students could come for a few minutes to get their pictures done.

I hope to still play outside everyday, please dress appropriately. If the temperature is below -15 with wind chill, we will not go outside and will shorten our time if it is between -10 and -15.

We are going to continue working on recognizing and printing our names. Strengthening our hands muscles and getting dressed by ourselves. Our theme song for November will be Sleeping bunnies and I am a little Snowman. Our Nursery Rhyme is Hey Diddle Diddle.

We are now into our third month of school. I would like to encourage that we work on bathroom practices at home so that all the children are comfortable using the school washroom without too much assistance.

Please contact me if you have any questions or concerns. Playschool is a great time to explore and learn. If at any time you feel like your child or family could use extra help with speech, fine or gross motor, mental health this is a great (and usually free) time to utilize resources in the community. One resource I would like to share with you today is Positive Parenting, www.triplep-parenting.ca it's a great toolbox of ideas not a how to be a good parent (you all are already!) but some strategies to have in your back pocket.

Mon/Wed/Fri News

Can you believe it is November already? The time seems to be just flying by. Our class has truly adjusted well and we are learning so much and having a great time. I can't

wait to see what November brings!

Our themes this month will be Space, Bears and the start of Christmas. If you have some empty pop bottles, please bring in 2 – 2 L bottles on Friday, November 5th (please do not go and buy pop bottles – I am sure we can find enough among our class community). We will be making a fun space craft from these bottles. Then mark your calendars, from Nov. 10-15, Edmonton Public Schools will be closed to give our students a Fall Break. We will not have classes on these days. But get ready, there are more fun days to come! On Monday, November 29th, we will have one of my favourite days - “Pajama Day.” I’m looking forward to wearing my pjs to work!

Another date to mention is Wednesday, November 17th. We will be having our school pictures taken on these days. Our photographer is amazing! He will take the pictures in our Community Hall first thing in the morning. Please drop off your child off at the Community Hall. We will take our pictures, then return back to our classroom for our regular school day. The photographer will send bring the proofs to us the following week and we will send them home with your kiddo. You may purchase the pictures, if you wish to.

As the weather has turned colder, getting our winter gear on and off can be a challenging activity. The kids are really doing their best (as are the teachers...) but it can be overwhelming. It would be helpful is if you could practice putting on and taking off their outside clothes. With 18 little ones and 3 teachers, we are outnumbered! The more independent they are, the smoother our arrival and departure will become.

Thank-you so much for all you do to support your child and our class,

Teacher Cathey
